My portfolio

By Sreevidhya

Purpose

Purpose of my portfolio is to give a visual resume not to mention the first hand experience of my knowledge and experience with HTML and CSS for my potential employers.

Design flow

BASIC DESIGN

Logo

Navbar

Home About Contact

Container

SOCIAL MEDIA

Footer

Difference between the three pages

➜   Home page has my video resume

➜   About me page information about me

➜   Contact page has the form.

➜   Other than this the rest all is the same.

Conclusion ?

Now let's check out my portfolio:
